

THE OUTSTRETCHED ARM

Each issue of *The Outstretched Arm*, a publication of the National Center for Jewish Healing, contains articles that explore the healing dimensions from a variety of diverse voices and a broad range of personal challenges. Articles cover a range of topics including teachings relating to the theme of the issue, personal journeys of healing, rituals, wise sayings, Torah commentary, community resources and publications, and updates from the healing network.

Each issue is either 8pp or 12 pp in length.

You can also order a complete set in a binder!
